A. Summary of our reports issued

This report is addressed to NHS Bolton CCG (the CCG) and has been prepared for the sole use of the CCG. We take no responsibility to any member of staff acting in their individual capacities, or to third parties.

External auditors do not act as a substitute for the audited body's own responsibility for putting in place proper arrangements to ensure that public business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

Introduction

Introduction

Background

This Annual Audit Letter (the letter) summarises the key issues arising from our 2017-18 audit at NHS Bolton Clinical Commissioning Group (the CCG). Although this letter is addressed to the Members of the Governing Body of the CCG, it is also intended to communicate these issues to external stakeholders, such as members of the public. It is the responsibility of the CCG to publish this letter on the CCG's website.

In the letter we highlight areas of good performance and also provide recommendations to help the CCG improve performance where appropriate. We have reported all the issues in this letter to the CCG during the year and we have provided a list of our reports in Appendix A.

Scope of our audit

The statutory responsibilities and powers of appointed auditors are set out in the Local Audit and Accountability Act 2014. Our main responsibility is to carry out an audit that meets the requirements of the National Audit Office's Code of Audit Practice (the Code) which requires us to report on:

Financial Statements including the regularity opinion and Governance Statement	<p>We provide an opinion on the CCG's financial statements. That is whether we believe the financial statements give a true and fair view of the financial affairs of the CCG and of the income and expenditure recorded during the year.</p> <p>We are also required to:</p> <ul style="list-style-type: none">— form a view on the regularity of the CCG's income and expenditure i.e. that the expenditure and income included in the CCG's financial statements has been applied to the purposes intended by Parliament and the financial transactions in the financial statements conform to the authorities which govern them;— report by exception if the CCG has not complied with the requirements of NHS England in the preparation of its Governance Statement; and— examine and report on the consistency of the schedules or returns prepared by the CCG for consolidation into the Whole of Government Accounts (WGA) with our other work.
Value for Money arrangements	<p>We conclude on the arrangements in place for securing economy, efficiency and effectiveness (value for money) in the CCG's use of resources.</p>

Introduction (cont.)

Adding value from the External Audit service

We have added value to the CCG from our service throughout the year through our:

- attendance at meetings with members of the Governing Body and Audit Committee to present our audit findings, broaden our knowledge of the CCG and provide insight into sector developments and examples of best practice;
- proactive and pragmatic approach to issues arising in the production of the financial statements to ensure that our opinion is delivered on time;
- incorporation of data analytics into our programme of work to, for example, identify high risk journals for testing; and
- strong and effective working relationship with Internal Audit to maximise assurance to the Audit Committee, avoid duplication and provide value for money.

Fees

Our fee for 2017-18 was £37,907 (2016-17: £56,250) excluding VAT. This fee was in line with the fee agreed at the start of the year with the CCG's Audit Committee.

Acknowledgement

We would like to take this opportunity to thank the officers of the CCG for their continued support throughout the year.
