Leavers (including Retirement) Procedure

1. PURPOSE AND SCOPE

- 1.1 The purpose of this procedure is to ensure that where employment ends for an employee for whatever reason; all relevant HR processes are completed in a timely manner.
- 1.2 This Procedure/Guide applies to all employees leaving the CCG due to resignation, retirement (including Flexible Retirement where New Starter documentation will then be required upon their return), redundancy, dismissal and end of a Fixed Term Contract. For purposes of this procedure the term 'employee' refers to those workers who are on ESR (the NHS Electronic Staff record) and are paid via the CCGs payroll system. This will include bank staff and workers on a contract for services.
- 1.3 This procedure will not usually apply to staff going on an external secondment as it is the norm for employees to remain on the substantive employer's payroll.
- 1.4 For guidance regarding Retirement please refer to Appendix 2.
- 1.5 This procedure may need to be read in conjunction with the following policies and procedures and guides: Recovery of Salary Overpayments, Fixed Term Contracts, Redundancy, Flexible Retirement, Attendance Management Policy, Managing Performance Policy, Probation Review Policy and Procedure and Disciplinary Policy. Advice from People Services is available and should be sought in cases of employment ending as a result of Redundancy, Fixed Term Contract, disciplinary and sickness.
- 1.6 The key actions for the line manager and/or employee to undertake prior to the employee leaving are listed below:

Leavers Procedure

Line manager acknowledges the employee's resignation, confirms their **last day of employment** and discusses outstanding/overtaken **annual leave, handover arrangements** etc.

Annual Leave entitlement will need to be recalculated based on months/part months worked. In order to calculate this, please refer to the annual leave calculator in the useful links section on People Direct. Any Line Manager unable to calculate this can seek advice from People Services.

Line Manager completes a termination form. **This is available on the forms section of People Direct.** The Line Manager and employee must sign the form.

The line manager emails the termination form to People Services at hr.businessservices@nhs.net.

THIS MUST BE SENT BEFORE PAYROLL SHUTDOWN TO AVOID SALARY OVERPAYMENT. Payroll shutdown deadline dates can be found in your CCG Employee Communications document on People Direct. A termination form is **not required in instances of internal transfers** or when the CCG employee is returning from a secondment to their substantive job in the CCG.

Line Manager places a copy of the completed termination form on the employee's personal file and sends a copy to Finance (Marion Carr).

Line manager – Request the employee's **personal file** is moved to the leavers section of the personal filing area. (request this action is undertaken by the member of staff in the CCG who is responsible for the secure storage of HR files)

Exit Interview to be completed following process for option A or Option B. In the majority of cases Option B should be used; however in certain circumstances it may be appropriate for People Services to send the form directly to the employee. Line Manager to advise People Services if this is the case.

Option A

On receipt of the termination form, **People Services** email the employee with an acknowledgement of receipt of notification of termination. The email includes the exit survey with instructions and a request to complete and return by email to People Services at hr.businessservices@nhs.net. **The employee is prompted to 'cc' their line manager into their survey response if they wish to share it with them.**

An option is offered on the survey for the employee to request that a People Services HR Adviser contacts them should they wish to discuss an issue re their employment.

Option B

The **Line Manager** conducts the exit survey. The exit survey should be conducted face to face however if this is not possible the line manager can give the survey to the employee for completion alone. Once completed the survey should be emailed to People Services at hr.businessservices@nhs.net.

Line Manager completes Leavers Checklist (Appendix 1) and places it on the employees personal file.

People Services enter the exit survey responses into ESR and will provide the CCG with an exit survey report (as part of the Tier 2 Workforce Performance Report) either after 6 month or on an annual basis.

Manager/employee

Once completed the manager should file this checklist on the employee's personal file

Appendix 2**RETIREMENT GUIDANCE****PURPOSE OF THE GUIDANCE**

- 1.1 This guidance is designed to assist employees who are considering or have taken the decision to retire from their job in the CCG and outlines the options available and support that can be expected from management. The guidance will also assist line managers with employees who are considering retirement. Any information provided within this document should be verified before being relied upon in case subsequent changes have been made. For information regarding Flexible Retirement refer to the Flexible Working Policy.
- 1.2 People Services Pre Retirement Seminars and further information is available from People Consult.

KEY POINTS

- 2.1 There is no compulsory retirement age.
- 2.2 When considering retirement options employees should bear in mind the potential impact on their pension.
- 2.3 The provisions of Section 16 of the Agenda for Change Terms and Conditions of Employment Handbook will apply to employees retiring early on grounds of redundancy.
- 2.4 Members of the NHS Pension Scheme should be aware that there are differences between the 1995 Scheme and the 2008 Scheme e.g. different minimum retirement age and different normal retirement age.
- 2.6 Employees considering retirement, particularly flexible retirement, must discuss their plans initially with their line manager and as early as possible. Employees should refer to the Local Flexible Retirement / Flexible Working Policy.
- 2.7 Employees wishing to fully retire from work must resign from their employment, giving the appropriate contractual notice. They will be expected to take all accrued annual leave prior to their leaving date.
- 2.8 Information on retirement options and benefits is available from People Services or the NHS Pensions website www.nhsbsa.nhs.uk/pensions.
- 2.9 Employees should bear in mind that NHS Pensions requires 4 months notice of any request for payment of pension benefits.
- 2.10 An employee approaching their retirement may wish to gradually reduce the number of hours they work leading up to their actual date of retirement or step down to a less demanding role (Pre-Retirement wind down/step down).

The employee should put their request in writing to their line manager, clearly outlining their proposed work pattern/role, start date and retirement date. Requests will be considered in line with the procedure in the Flexible Working policy, and judged on the basis of business needs. If a reduction in hours is agreed, the employee will be paid pro rata to hours worked. If there is a reduction in band, the employee will be paid on the new band.

- 2.11 For further Pensions advice e.g. Protected Pension, Draw Down (partial retirement), Voluntary Early Retirement, Pensions Estimates, Remaining in employment beyond normal retirement age should contact the NHS Pensions Agency or your payroll provider's Pensions Officer.

TO APPLY FOR RETIREMENT PLEASE REQUEST A FORM FROM THE PENSIONS OFFICER AT YOUR PAYROLL PROVIDER.

3 Ill Health Retirement

- 3.1 When an employee becomes incapable of carrying out their duties on a permanent basis, and no reasonable adjustments can be made or suitable alternative employment secured (see Sickness Absence Policy), the employee may wish to apply to NHS Pensions for retirement on the grounds of ill-health. This option is only available to employees who have two years continuous pensionable NHS service.
- 3.2 If an application for ill-health retirement is made, this constitutes a mutual decision that the employee is unable to fulfil their contractual obligations due to their ill-health condition and therefore a termination date will be agreed between the individual and their line manager.
- 3.3 Where ill-health retirement is identified as an option, the employee will be provided with an estimate of pension benefits via People Services or from the Pensions Officer. The application must be made on the appropriate form which is available from the NHS Pensions Agency.
- 3.4 Medical advisers, appointed by NHS Pensions, will assess the available medical evidence and will confirm whether the employee is permanently incapable of carrying out either their present NHS duties or any regular work. A Tier 1 or enhanced Tier 2 pension may be paid dependent upon this decision. Further information may be obtained from People Services in the first instance.
- 3.5 Reference should be made to the Attendance Management Policy.
